Notice to Construct Sidewalks, Curbs and Gutters

To George Williams. In accordance with the provisions of Ordinance No. 957, approved July 5th, 1911, and a resolution adopted by the Council August 21st, 1911, you are hereby notified to construct granite curbs, gutters and sidewalks in front of part of Lot No. 44, Range 1, fronting 33 feet on Frederick street, in the City of Cape Girardeau, Missouri, said work to be done in accordance with the provisions of said Ordinance No. 957, and within 20 days from and after September 8th, 1911, that being the date of the last of two publications of this notice in the Cape County Herald, the newspaper doing the city printing, and that, failing in this, the city will order said work done at your expense.

Chris. F. Betten, City Clerk. Cape Girardeau, Mo., August 28th, 1911.

Hon. James R. Mann, of Illinois, leader of the Republicans in the House of Representatives, is quoted as saying: "The special session has developed the broadness of President Taft's statesmanship, and also the incompetency of the Democrats when it comes to legislation. They have tried to put the president in a hole. They have been hoisted by their own petard. The net results has been to strengthen the president and weaken the Democrats before the country."

Had the Democratic leaders in congress pressed the Canadian reciprocity bill to passage and then adjourned the special session they might have posed as shrewd politicians, but such leaders may always be depended upon to lead their followers from a smooth path to the brushy wilderness if they can find a way to get there.

STRAYED—From 323 South Hanover street, one bay horse about 8 years old, weighs about 1200 pounds and had on leather halter; roman nose, left fore foot sand cracked, small scar on left hind leg just above the hoof and weak left eye. Anyone who can give any information of the horse's whereabouts, phone 101, Miller Bros. Livery Barn.

If the Democrats are to elect the president next year they will have to fool the people about the work of their leaders in the special session of the congress, if indeed the regular session does not make the said leaders appear even more ridiculous than at the close of the special session.

ORDINANCE NO. 977.

An ordinance providing for the taxation and registration of dogs.

Be It Ordained By the Council

of the City of Cape Girardeau, Missouri, as follows:

Section 1—Dogs to be registered and Licensed Tax Paid.

No dog shall be permitted to remain within the limits of the city of Cape Girardeau, Missouri, unless the owner thereof, whose duty it shall be so to do, shall have caused such dog to be registered and a tax imposed by this ordinance to be paid.

Section 2. Amount of Tax

The tax on every dog of this city shall be one dollar per annum, or fractional part thereof, and on every female dog two dollars (2.00) per annum, or fractional part thereof, for each year ending on the first day of June, payable to the City Collector for the use of the city.

Section 3. Duty of City Clerk.

The City Clerk shall procure such number as shall be required of metallic plates of convenient size and shape, the shape to be changed every year, having stamped thereon the letters "C. T. P." and the figures indicating the year for which the tax has been paid, and he shall also caused to be prepared printed blanks bound in book form, and arranged in such manner that one certificate can be cut out, and a stub or duplicate left in the book; and the City Clerk shall on or before the first day of May in each year, or as soon thereafter as may be, deliver to the collector the metallic plates aforesaid, and also an equal number of blank certificates with stubs or duplicates as aforesaid, the certificates to be signed by the City Clerk, and shall charge the Collector therewith, who shall account to the Mayor and Council for every plate and certificate so furnished to him.

Section 4. Duty of Collector.

In every case where application shall be made to the City Collector for a license for any dog, that officer shall deliver to applicant a metallic plate having the number corresponding with that of the license stamp thereon, and shall also deliver to the party a certificate from the book furnished him by the City Clerk, which certificates, as well as the margin or part remaining in the book after tearing out or cutting out the certificates, shall contain the number of the license, the year for which the same is granted, the name and residence of the owner of the dog, the sex and correct description of the dog for which the license is paid and the amount of tax paid therefor.

For every dog taken up, restrained and impounded herein provided, and for which no tax has been paid, a redemption fee of one dollar (\$1.00) together with the amount of a license, shall be paid to the collector for the use of the city; and upon procuring the certificate of the collector stating that said redemption fee and license has been paid and paying the further sum of one dollar (\$1.00) to the person taking up such dog, the owner thereof, within three (3) days after the impounding, or any other person after three (3) days, shall be entitled to redeem such dog; and if such dog be not redeemed within three (3) days after being taken up, he shall be slain by the poundkeeper, who shall be appointed by the marshal, and the pound keeper shall receive therefor the sum of fifty cents (50c) to be paid out of the city treasury, but if it shall be made to appear by the affidavit of the owner, or by other satisfactory evidence, that the provisions of this ordinance have previously been complied with, and that the tag has been accidentally lost, the collector may

issue to such owner a new tag without additional charge, except a fee of twenty-five cents (25c) to be paid to the collector for the use of the city, and a fee of fifty cents (50c) to be paid to the pound keeper for taking up and caring for said dog.
